

## Sister Agnes Downing Place, Rockhampton

**Client:** *Department of Housing*

**Construction completed:** *May 2006*

**Construction costs:** *\$1.9 million*

Sister Agnes Downing Place was built to provide suitable living facilities for underprivileged young people of Central Queensland.

The complex consists of 14 modern self-contained and furnished studio apartments with individual balconies and timber privacy screens.

Brightly decorated inside and out, the complex gives residents a welcoming living environment, with covered car shelters also provided for residents use.

**Winner QMBA Project:** Central Queensland Community Services Facilities (\$2-\$10m) 2007

**07 4937 5000**
